## WELCOME BACK!

Dear parents and carers,

Welcome back everybody. We hope you have had an enjoyable summer and are looking forward to the school year. It has been wonderful to have the school 'buzzing' once again with the sound of children learning together and having fun!

Thank you for the hard work you have all put in over the summer preparing your children for coming back to school. They look amazing in their uniforms and are relaxed and comfortable in their classroom Bubbles with their friends. The support you have shown for our Carville Family by sending your children back to school during what is still a very unusual time is really appreciated. We are particularly grateful for your efforts and patience in helping us with social distancing through the staggered drop-off and pick ups. You are doing a great job.

We have had an incredibly successful week. Our children have focused on the workplace skill of 'Presentation' as they start their catch-up curriculum and have slipped easily back into good learning habits. We look forward to sharing some of their work with you over the coming weeks.

As ever, we are committed to providing the best educational experiences and opportunities for our children. Please bear with us as we talk to the visitors, partners and friends who usually come in to school to help us enrich our curriculum. We are currently looking at ways to run the events and activities we usually offer as safely as possible. We hope to have a calendar of events for you by the end of next week.

Once again, from all of us in school, "Thank you!" for working with us to support our children at home and in school. You are all amazing and this year is going to be as enjoyable as ever.

Yours sincerely,

Mr R Harker  
Headteacher
